

Empire of Adammia  
Ruling Council

Act 11  
Space Program Act 2014

This Act of Council hereby establishes a space program in the Empire of Adammia in the interests of the advancement of science and international prestige.

Section 1

- a) The Adammic Imperial Space Agency (AISA) is hereby formed. It is to be managed by the Ministry of Science and Technology.
- b) AISA is hereby charged with the role of operating a space program in the name of the Empire of Adammia.
- c) The Minister of Science and Technology and the Director-Administrator of AISA shall collectively determine the policy and missions of the Agency.
