Welcome, agenda reading:

The agenda was not amended.

Act 53 – Great Reform Act 2019 (Emperor Adam I):

Emperor Adam I (Chair, LMP) introduced the Act. There were no comments or questions.

The Council divided:

AYES: 7 (Emperor Adam I, Lord Saunders, Lord Maude, Alexandre Schweig-Peters, Lord Helliker (post-meeting), Lady Worthington (post-meeting), Sir Edward Hilton (post-meeting))

NOES: 0

ABSTENTIONS: 1 (Lady Peace)

The ayes had it, and the Act was passed.

Misc. debate – Questions to the Prime Minister (Emperor Adam I):

Lord Maude: Will the Prime Minister support the Labour Party in making Kubb the national sport of Adammia?

Lord Saunders: We will look into doing that.

Emperor Adam I: As a point of information, there will be opportunities to play Kubb in the summer. Members are welcome to table a bill to change the national sport; such a bill would likely be trivial compared to the Great Reform Act, but I am willing to assist all members in the drafting of legislation regardless.
