There are further adopted three flags, one for each of the branches of the Military of Adammia. The War Flag of Adammia shall be the official flag of the Adammic Army, and it shall consist of a green background, with the National Flag of Adammia in the top-left corner, and an emblem, which shall be the official emblem of the Adammic Army, consisting of the Imperial Crown in front of two crossed swords, as they appear on the Coat of Arms of Adammia. This flag shall be flown from Adammic Army bases and shall be used as the basis for official regimental colours in the Adammic Army. There shall be a Naval Ensign of Adammia, which shall be the official flag of the Adammic Navy, and it shall consist of a cyan background, with the National Flag of Adammia in the top-left corner. This ensign shall be flown from the stern of all vessels of the Adammic Navy, and at the ports and docks of the Navy and its Admiralty offices. The National Flag of Adammia may be flown as a jack from the bow of vessels of the Adammic Navy. There shall be a Adammic Air Force Ensign, which shall be the official flag of the Adammic Air Force, and it shall consist of a sky blue background, with the National Flag of Adammia in the top-left corner, and the Adammic Air Force Roundel designed by Michael Onff to the right.
