

Office of the Emperor of Adammia

Decree LXXXVI

UPON OUR IMPERIAL MAJESTY'S SOVEREIGN COMMAND,

NOTING that the relocations of some governors have made the administration of certain territories untenable, and further noting the need to clarify the status of honorary citizenship after their term of ten years expires under the Citizenship Act 2015;

BE IT DECREED as follows:

The colony of Casa del Dank is dissolved, and the territory formerly constituting that colony is hereby ceded to the United Kingdom of Great Britain and Northern Ireland. The county of West Sheaffia is dissolved, and the territory formerly constituting that county is hereby ceded to the United Kingdom of Great Britain and Northern Ireland. The county of East Sheaffia is dissolved, and its territory shall now comprise the entirety of the Province of Sheaffia in the whole; nonetheless, Lord Kurtis Crossland shall retain the title and style of Count of East Sheaffia in perpetuity.

Amending Section 2 Subsection a) of the Citizenship Act 2015, where the ten-year honorary citizenship of a person has expired without having been renewed, the Ministry of Citizenship and Information shall ascertain, as far as is reasonable, whether or not that person was still alive within the past two years. If a positive affirmation is not possible, the honorary citizenship shall expire. If such an affirmation can be made, the honorary citizenship shall be extended for a further ten years from the most recent date that the individual in question can be ascertained to have been alive.

This, the eighty-sixth Imperial Decree of Our Imperial Majesty Emperor Adam the First, is decreed at Asquith House in Turing in the Colony of Lagentia, on this the twenty-eighth day of August of the two-thousand and twenty-third year of the Common Era, and is signed into immediate effect.
